

Nuance® PowerShare™ Network

Online Access to Your Medical Images

Providing you and your doctors with secure and convenient access to your medical images & documents.

Just register with the link you receive in your e-mail, and use the token on the attached page to view your images.

It's simple

We're all about simplifying your life—whether you're managing chronic conditions or one brief health concern.

Our easy-to-use medical imaging solution gives you secure access to your diagnostic imaging and reports whenever you need them, eliminating the frustration caused by having your health information on CDs and film.

When you have imaging done at our facility, we provide you free and secure online access to the same medical images your doctor sees.

we give you:

- immediate access to your images
- accessibility from anywhere, anytime with any internet connected device
- freedom from having to keep up with CDs or film
- medical images that are safe from harm and unauthorized access
- 45 days of free storage and access

This is cloud-based image sharing; this is the Nuance PowerShare Network.

Nuance® PowerShare™ Network

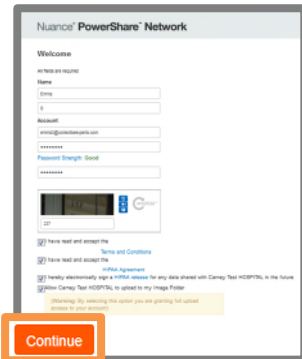

Take charge of your own healthcare

Providing you and your doctors with secure and convenient access to your medical images & documents.

How to view your images:

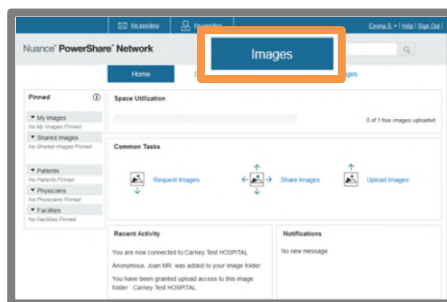

- 1) You will receive an email from Nuance PowerShare Support. Use the included link to access the PowerShare registration page from an internet-connected computer (please note that your initial registration can NOT be completed on a mobile device). Complete all required fields, check all boxes and click the **Continue** button.

NOTE: There will be no charge to view your medical images from our facility.

- 2) After registering and logging in you will arrive at the home screen. Click the tab labeled **Images** in order to access your images.

NOTE: After initial registration, Nuance PowerShare can be accessed from any approved internet-connected device including iOS or Android devices such as iPhones, iPads, Android Smartphones and Tablets.

- 3) Select the image(s) you would like to view by clicking on the thumbnail of the study. The clinical viewer will appear in a separate window.

- 4) When you are finished viewing your images, after clicking the "X" to close the image, be sure to also click **Sign Out** in the upper right to end your session.

Nuance® PowerShare™ Network

If you would like to share your image, instructions continue on next page.

Free patient accounts provide the ability to share **one image set per month** with multiple contacts. If you have been asked to share your image with another PowerShare provider or facility you can do that by following the below instructions.

Take charge of your own healthcare

Providing you and your doctors with secure and convenient access to your medical images & documents.

How to share your images:

- 1) From the Images tab, select the image you want to share and choose **Copy** from the menu options on the right.

NOTE: Upgrading to a paid account will enable you to share a larger number of images and have longer term storage of images. Details on how to upgrade are included at the end of this document.

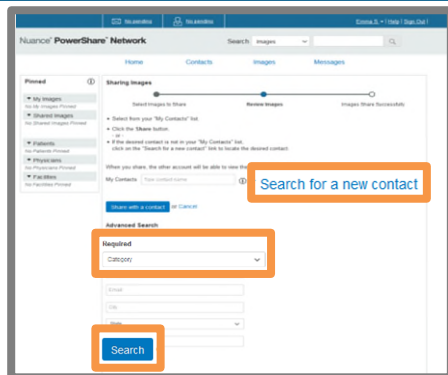

- 2) You will be prompted to confirm the image copy at a \$0.00 cost. Select **Confirm** and the process will begin to transfer this image to your account for the purpose of sharing with others. You will receive a message upon completion.

NOTE: The copy process could take a few seconds or up to an hour. It is recommended that you refresh your screen by clicking the ← in the upper left corner to check for a confirmation message.

- 3) Once the copy is complete, the image will become part of your **My Images** folder and will be enabled for sharing. Select the image and choose **Share these Images** from the menu on the right of your screen.

Take charge of your own healthcare

Providing you and your doctors with secure and convenient access to your medical images & documents.

How to *share* your images (continued):

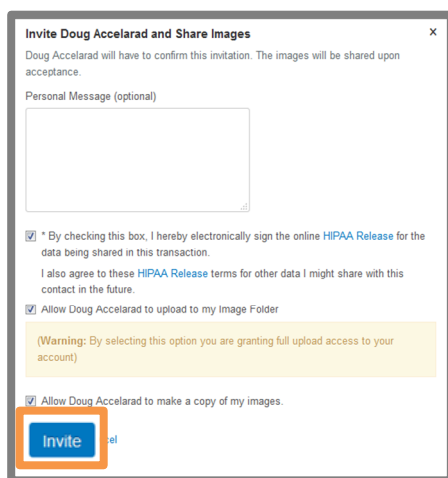

- 5) Select **Share** for the correct recipient.

NOTE: There are 3 possible status associated with a contact.

In your contacts – already a connection; will be able to view your image once you click 'Share'

Not in your contacts – in PowerShare but not a connection; clicking 'Share' will trigger the invitation process

Not in PowerShare – does not have a PowerShare account; clicking 'Share' will trigger the invitation process

- 6) Select all check boxes and click **Invite** in order to request a connection and share your image with this recipient. The recipient will need to confirm your request and will then have immediate access to the image you have shared.
