

The Oregon Clinic Vein Treatment

Laser and Sclerotherapy Procedure Instructions

Before Treatment

- We must be notified if you become pregnant or are currently breast feeding.
- Please arrive 15 minutes prior to each treatment. Do not use creams or lotions.
- Each treatment requires your skin to be as close to its natural color as possible.
- Bring shorts and your support stockings to each appointment.
- Any missed appointments without a 24-hour notice will be charged \$50.00 as this inconveniences other patients.

After treatment

- Leave your hose on for 24 hours. Then you may remove the bandages and take a shower
- Wear the support stocking for 1 week, daytime, after each treatment.
- The veins will look worse before they look better.
- There will be bruising, which is normal. The speed of healing is different in every individual.
- Occasionally, there may be a firm knot that may feel tender. This is normal and will resolve with time.
- Occasionally, there is a brownish discoloration following treatment. This is transient and will fade over time. It can take weeks to months to fade.
- Occasionally, there will be tenderness in the area treated. Over-the-counter Ibuprofen will help with this discomfort.
- You are not required to refrain from normal activity, including exercise.

Notice of Availability

If you speak another language, free language assistance services and appropriate auxiliary aids and services are available to you. Let us know how we can help.
