

AN INVESTIGATIONAL STUDY FOR PBC WITH COMPENSATED CIRRHOSIS

AFFIRM
A Study for Primary Biliary Cholangitis Treatment

CONSIDER PARTICIPATING IN A CLINICAL TRIAL FOR PBC

WHY SHOULD I JOIN THE AFFIRM PBC CLINICAL TRIAL?

- You will get a chance to receive a study drug that is currently under investigation for PBC patients with compensated cirrhosis
- You will receive dedicated care from our study team during the trial
- You won't need to stop taking UDCA to participate
- You will help advance medical science that may eventually lead to expanded treatment options for people with PBC

HOW DO I KNOW IF I'M ELIGIBLE?

To be eligible for the trial, you:

- Are an adult 18 years or older
- Have a confirmed diagnosis of PBC
- Have compensated cirrhosis
- Are taking or have taken UDCA
